ORDER:

During review meetings with the field engineers of Rural Water Supply in the districts it has been reported that many water supply schemes are not operational to their full capacity due to choking of S.S. filters. These Slow sand filters are not able to deliver filtered water @ 40 lpcd to the villages. The Gram Panchayats are not in a position to repair the filters due to insufficient amounts received under TFC or with their own resources.

2. . In the reference read above, the Chief Engineer(RWS-I) Hyderabad has submitted the proposals to the Government to accord administrative sanction for restoration of Slow Sand filters in respect of certain PWS schemes in (5) Coastal Districts viz East Godavari, West Godavari, Krishna, Guntur and Prakasam as shown in the Annexure .

3. Government, after careful examination of the proposals of the Chief Engineer, (RWS.I) Hyderabad hereby accord administrative sanction for (368) works at an estimated cost of Rs.560.00 lakhs (Rupees Five hundred and Sixty lakhs only) **under Non Plan grant** for taking up the repairs & Restoration of Slow Sand filters i.e. Replacement of sand and other media in Slow Sand filters in respect of the PWS schemes in (5) coastal Districts mentioned in the Annexure.

4. The above sanctioned amount shall be spend for the purpose for which it has been sanctioned now. Any failure to observe this principle will make the concerned Executive Engineers personally liable for severe disciplinary action and a monthly reporting systems must be put in place for monitoring the completion of these sanctioned works.

5. A copy of this order is available on the internet and can be accessed at the address <http://www.ap.gov.in/goir>.
